

## ALL WOMEN AGREE.

A druggist in Macon, Ga., says: "I have sold a large quantity of **Mother's Friend**, and have never known an instance where it has failed to produce the good results claimed for it. All women agree that it makes labor shorter and less painful."

## Mother's Friend

It is not a chance remedy. Its good effects are readily experienced by all expectant mothers who use it. Years ago it passed the experimental stage. While it always shortens labor and lessens the pains of delivery, it is also of the greatest benefit during the earlier months of pregnancy. Morning sickness and nervousness are readily overcome, and the liniment relaxes the strained muscles, permitting them to expand without causing distress. Mother's Friend gives great recuperative power to the mother, and her recovery is sure and rapid. Danger from rising and swollen breasts is done away with completely.

Sold by druggists for \$1 a bottle.

## SCROFULA The Blighting Disease of Heredity.

In many respects **Scrofula** and **Consumption** are alike; they develop from the same general causes, both are hereditary and dependent upon an impure and impoverished blood supply. In consumption the disease fastens itself upon the lungs; in **Scrofula** the glands of the neck and throat swell and suppurate, causing ugly running sores; the eyes are inflamed and weak; there is an almost continual discharge from the ears, the limbs swell, bones ache, and white swelling is frequently a result, causing the diseased bones to work out through the skin, producing indescribable pain and suffering. Cutting away a sore or diseased gland does no good; the blood is poisoned. The old scrofulous taint which has probably come down through several generations has polluted every drop of blood.

**Scrofula** requires vigorous, persistent treatment. The blood must be brought back to a healthy condition before the terrible disease can be stopped in its work of destruction. Mercury, potash and other poisonous minerals usually given in such cases do more harm than good; they ruin the digestion and leave the system in a worse condition than before.

**S. S. S.** is the only medicine that can reach deep-seated blood troubles like **Scrofula**. It goes down to the very roots of the disease and forces every vestige of poison out of the blood. **S. S. S.** is the only purely vegetable blood purifier known. The roots and herbs from which it is made contain wonderful blood purifying properties, which no poison, however powerful, can long resist. **S. S. S.** stimulates and purifies the blood, increases the appetite, aids the digestion and restores health and strength to the enfeebled body. If you have reason to think you have **Scrofula**, or best blood purifier and blood builder known, as it contains no poisonous minerals. **S. S. S.** is pre-eminently a remedy for children.

When my daughter was an infant she had a severe case of **Scrofula**, for which she was under the constant care of physicians for more than two years. She was worse at the end of that time, however, and we almost despaired of her life. A few bottles of **Swift's Specific** cured her completely, as it seemed to me direct to the cause of the trouble. I do not believe it has an equal for stubborn cases of blood diseases which are beyond the power of other so-called blood remedies. **S. I. Brooks, Monticello, Ga.**

Our medical department is in charge of experienced physicians who have made **Scrofula** and other blood diseases a life study. Write them about your case, or any one you are interested in. Your letter will receive prompt and careful attention. We make no charge whatever for this.

## Question Answered.

Yes **August Flower** still has the largest sale of any medicine in the civilized world. Your mothers, and grandmothers, never thought of using anything else for indigestion or biliousness. Doctors were scarce, and they seldom heard of **Appendicitis, Nervous Prostration or Heart failure, etc.** They used **August Flower** to clean out the system and stop fermentation of undigested food, regulate the action of the liver, stimulate the nervous and organic action of the system, and that is all they took when feeling dull and bad with headaches and other aches. You only need a few doses of **Green's August Flower**, in liquid form, to make you satisfied there is nothing serious the matter with you. Sold by dealers in all civilized countries. oct-27-1y

**Otto Korb, Grand Chancellor, K. P., Booneville, Ind.,** says, "DeWitt's **Witch Hazel Salve** soothes the most delicate skin and heals the most stubborn ulcer with certain and good results." Cures piles and skin diseases. Don't buy an imitation. **W. T. Brooks.**

**Not A Cast Iron Stomach.**  
Of course you haven't. No one need have. **Doctor Caldwell's Syrup Pepsin** is a remedy prepared on purpose for stomach troubles, weak stomach, sour stomach, big stomach or little stomach, or and irregularities caused from indigestion or constipation. They can be permanently and thoroughly cured by the use of **Dr. Caldwell's Syrup Pepsin**, which is made in three sizes, 10c, 50c and \$1.00 and is sold by **G. S. Varden & Co.**

## Does It Pay To Buy Cheap.

A cheap remedy for coughs and colds is all right, but you want something that will relieve and cure the more severe and dangerous results of throat and lung troubles. What shall you do? Go to a warmer and more regular climate? Yes if possible; if not possible for you, then in either case take the ONLY remedy that has been introduced in all civilized countries with success in severe throat and lung troubles, "**Boschee's German Syrup**." It not only heals and stimulates the tissues to destroy the germ disease, but allays inflammation, causes easy expectoration, gives a good night's rest, and cures the patient. Try one bottle. Recommended many years by all druggists in the world. Sold by dealers in all civilized countries. oct-27-1y

## Look for the Warning.

**Heart disease** kills suddenly, but never without warning. The warnings may be faint and brief, or may be startling and extend over many years, but they are none the less certain and positive. Too often the victim is deceived by the thought, "It will pass away." Alas, it never passes away voluntarily. Once installed, heart disease never gets better of itself. If **Dr. Miles' Heart Cure** is used in the early stages recovery is absolutely certain in every case where its use is persisted in.

"For many years I was a great sufferer from heart disease before I finally found relief. I was subject to fainting and sinking spells, fullness about the heart, and was unable to attend to my household duties. I tried nearly every remedy that was recommended to me and doctored with the leading physicians of this section but obtained no help until I began taking **Dr. Miles' Heart Cure.** It has done me more good than all the medicine I ever took."
